

The best offense... is a SOLID defense.

Albarrie's Defender Series

R2 Receiver

www.albarrieextrusion.com

R2 - Receiver (high temperature endless belts)

- Made with a blend of reclaimed and recycled high temperature fibers to reduce costs while still maintaining the surface finish of your extrusion profiles
- Custom fabricated with or without v-guides
- Protect surface finish on profiles
- Manufactured truly endless; no seams or joints to risk belt failure
- Excellent durability
